Date and Name of Athletic Director contacted to request payment of game fee:

Response of Athletic Director to payment request:

The referee is responsible to contact and request payment from the "Host" coach of the originally scheduled game. Should payment not be provided or authorized by the coach, the referee is responsible to contact the appropriate Athletic director of the school in question. Voice mail or other "messages" left for the Coach or AD is not sufficient. The referee must have an actual conversation with the Coach and the AD and provide their response before the Association can pursue further action on the referee's behalf.
