Meeting called to order at 6:39

46 referees attended the meeting

Board Members in attendance:

Tim Stewart - President

Tony Sheets - Treasurer

Glen Garret - Member at Large

Tim Stewart —

Revised 4th official duties, diffuse situations, use your personality, be proactive, be mentally drained by the end of the match

OT procedures (2 ten minute periods in the entirety with the same substitution rules in the last 5 minutes of the 2nd OT period if present, no golden goal)

Reviewed kicks from the mark (any player on the roster can take the kick, you have your first 5, then sudden death with a different 5, then any 5 so your 10th kicker can be your 11th kicker)

Reviewed the importance of game administrators and their roles

Noted how there are changes at the administration level with TSSAA where Bernard Childress, who was over all of TSSAA is retiring and Mark Reeves, who was over soccer and other areas, will be replacing him and we don't have a succession plan yet and don't know about the rules meeting if it is in person or online yet.

Tony Sheets —

Current balance \$7,379.23

Deposits since last report. \$625

Expenditures since last report \$0

Please Pay your Dues (Calendar year) and if anyone used a money order to pay, please contact Tony. Use your Bill pay through your bank instead of Venmo to pay your dues.

Closed with thanking everyone on the season, still a few games left. Go ahead and update arbiter for the Fall, we will be in touch about the rules meeting this Summer once we get an answer and I know today was a rough day to schedule a meeting due to Nashville SC but wanted to get this information out prior to the start of playoffs and there are still too many games throughout the week so the with the best of the worst ideas that I could come up with.
